

Tennis Covid-19 Safety Guidelines

MUST be adhered to at all times

- 1. All gates to the tennis courts will be secured so they will remain open to prevent a common touch point.**
- 2. Please make sure you are using your own tennis equipment. (ie. Tennis racquet and balls.)**
- 3. Avoid playing on adjacent courts to other players.**
- 4. Players should not congregate in groups before or after tennis play.**
- 5. Refrain from handshakes during match play.**
- 6. Any player showing signs or symptoms of COVID-19, should not play.**
- 7. Playing singles is preferred, but not required.**
- 8. Players should stay on their side and avoid switching sides.**
- 9. Bring hand sanitizer and use at the beginning of the round and at the end.**
- 10. Players shall maintain adequate distance between each other.**
