Dear Shorewood Residents,

In order to provide more clarity to our residents on who has been authorized to solicit throughout the village, the Shorewood Police Department has reviewed the Soliciting Permit Application process and has made changes to the documents. Approved solicitors will be granted two pieces of documentation that you can request at any time to verify the validity of their authorization to solicit in our village:

- First, each business approved for soliciting will be issued a Permit to Solicit / Peddle / Canvas. This permit will be printed on Shorewood Police Department letterhead and bear a color watermark of our department patch, as well as my signature or that of my designee in my absence.
- Secondly, each individual solicitor will be issued an adhesive sticker with their individual name, the name of their company, and the date(s) they are permitted to solicit. Each sticker will also have a color watermark of our department patch, as well as my signature or that of my designee in my absence. We provide each solicitor with these stickers to be worn on their body to readily identify that they have applied and been individually approved to solicit for a particular company on a particular day.

As always, if there is ever any doubt about the authenticity of a solicitor's documentation or the behavior of the individuals soliciting is inappropriate, please call the Shorewood Police Department at 815-725-4636 or 9-1-1 in an emergency, so a dispatcher can send an officer to investigate the situation. In the event a solicitor engages you without the proper documentation, please contact us at 815/725-4636 and an officer will be dispatched to discuss our village requirements for soliciting and direct the solicitor on how to apply.

Thank you for helping us keep Shorewood safe!

Respectfully,

Aaron G. Klima
Chief of Police
