Waiver & Understanding

I, _____, acting as a voluntary participant, and for no other purpose, in the Shorewood Community Garden (Program), do hereby attest that I have read the materials contained in the Garden Plot Guidelines and understand the contents thereof.

With this understanding, I hereby agree as follows:

That I, _____, shall save and hold harmless the Village of Shorewood and Troy Township, its trustees, officers, commissioners, employees, agents, successors and assigns from any and all personal injuries (including death), property damages, losses, suits, costs (including reasonable attorney's fees), claims, damages, expenses, judgments, liabilities, or liens, arising directly or indirectly from my participation in the Program during the term stated herein or any renewal thereof, from the conduct or management of the Community Garden or my participation therein, from the parties' activities under this Agreement, from any damage or injury caused by reason of access to and from, or from any landscaping, gardening, planting, preparation or other work or labor performed at the location caused to be performed by the participant unless the above mentioned injuries, damages or losses result from the willful acts or wanton conduct of the Village of Shorewood or Troy Township.

I further understand that my participation in the Program is voluntary and conducted in concert with the rules and regulations of the Village of Shorewood Parks Department and failure to follow the terms contained herein the attached documents shall result in my immediate dismissal from the Program. I hereby waive any and all claims and causes of action resulting from my failure to follow the rules and procedures governing the Program.

I have read the Community Garden Gardeners' responsibilities and understand the following:

- All plots must be planted by June 15th. Plots planted late will likely have weeds that are the responsibility of the gardener. The Program will reassign unplanted plots after this date. No refunds will be given.
- Registered Gardeners must be 18 years or older.
- Community Garden Registration Cards must be with you at all times.
- Gardeners should maintain each plot to its boundaries. Garden aisles must be left clear.
- If weeds grow beyond 12 inches in height, the Village has the right to mow the entire plot.
- No dumping allowed.
- Garden hoses are **NOT** allowed on any plot.
- The Village and Township are not responsible for theft, damage, vandalism or any other acts of destruction or loss as well as makes no guarantees for water drainage, growth or drought.
- The Community Garden will close on November 1st. All personal items/produce will become the property of the Community Garden Program after this date.
