FOR IMMEDIATE RELEASE

July 21, 2022

Tri County Stockdale Incident

Shorewood, IL – On Tuesday, July 19th, the Troy Fire Department extinguished a large fire at the Tri County Stockdale Company located at 25520 West Black Road in Shorewood. The site is safe, the investigation continues, and the cleanup and mitigation efforts are ongoing.

As a result of that incident, we have indications that materials have migrated from the impacted site. To be clear, there is no concern for the quality of water in the Village of Shorewood water system. We do however have indications of contaminants in the storm sewer system that includes some of the detention ponds located in the Saddlebrook, Edgewater South, and Rollingwood subdivisions. At the present time, IEPA, WCEMA, IDNR, and the Village of Shorewood are working to contain, investigate, and remediate the migration of those materials. Until the situation is resolved, we ask people to not recreate at or near those ponds.

We understand people may have questions or concerns. Citizens with questions or concerns can email info@vil.shorewood.il.us and your concern will be routed to the appropriate agency.

As always, in case of an emergency that requires police, fire or EMS response, please call 911.

About Shorewood, Illinois

The Village of Shorewood is a distinctive and innovative community in which lifelong investments will be secure and prosperous. We are compassionately committed to building strong families and strong businesses that contribute to the place we are all proud to call “Home.”
