Welcome to Shorewood!

Are you planning to open a new business in Shorewood? If so, Village staff would be happy to talk to you about regulations, applications and approvals that will be required prior to opening.

The Zoning District in which a prospective property is located determines the permitted and conditionally permitted business uses. All new businesses, including home-based businesses and relocated businesses, must obtain a Business License and Registration. Businesses that sell liquor and/or tobacco must obtain additional approval(s).

Remodeling an existing space requires a building permit and inspections. A change of use in an existing building, if permitted, may require improvements, permits and inspections. Finally, prior to opening, occupancy inspections are required for all new businesses.

How to get started

Please read Procedure for Approval, on the following page, and contact Community Development for a preliminary review of your business plans and proposed location for compliance with applicable regulations.

The Illinois Small Business Development Center at Joliet Junior College also offers free business plan consultations (see p2).

Sign Permits

Wall signs, monument panel signs, temporary signs, etc., require permits.

For regulations, see our website: Village Code Title 10, Chapter 10, or call Natalie Engel, Village Planner at 815-553-2314.

The Village offers many programs to encourage the success of Shorewood businesses through resident engagement.

Do you use **Promotional Pens** as part of your marketing? Drop off 25 or more for use by customers at the Village counters. Studies show that a pen touches 13 hands in its useful life.

Participate in the Village's **New Resident "Welcome Bag"** program; Reach about 75 new households every 2 months.

Sponsor an Event through the Parks & Recreation Department. Event advertisement has a Village-wide audience.

Make an **In-Kind Donation** to be used as prizes and giveaways during events and programs.

Procedure for Approval

Applications are available at the Village Hall or on the village website: www.vil.shorewood.il.us

- 1) The Business License & Registration Application, and fee for background check (if business is not INC. or LLC), should be submitted for review. Please allow two weeks for processing.

Note: If applicable, a Liquor License Application should be submitted at this time.

- 2) The "Occupancy, Remodeling or Tenant Build-out" Permit Application should be submitted, with (4) sets of plans (for build-outs). Please allow at least two weeks for review.

Note: Troy Fire Protection District approval is required for all tenant occupancies. Health Department approval is required for commercial kitchens. Copies of applicable approvals need to be submitted prior to building permit issuance.

- 3) The Occupancy Certificate will be issued upon Building Department approval (and outside agencies, as required).

Business Licenses (including Tobacco) will be issued at this time. Liquor Licenses are issued prior to occupancy.

- 4) Utility billing accounts should be set-up upon approval for occupancy. Please call Utility Billing to start a new account.
